Diane Corbin leads Ernest Baxa, Jerry McNichols, Jimmy Feldman, Leah Elliott, and fellow classmates in daily morning devotions to start the day off right. This exercise is held in most homerooms every morning before classes begin.

The library is for the purpose of reading and for reference work. However, these three industrious students—Joe Skinner, Martha Farley, and Ellen Flowers—don't seem to realize this. Well, we'll forgive them; after all, they are seniors.

Here we see the grim faces of Conrad Craig, Mary Frances Dooley, June Hutcherson, Janice Lewis, Carol Payne and Dale Hedrick leaving school. I don't understand the woe-ful looks for school is out for another day.

## MR. AND MISS GEORGE WASHINGTON

ELIZABETH OAKES AND RAY BEALE

two school-spirited students, were chosen by  
their schoolmates as representative seniors.

We, the Seniors of George Washington High School, dedicate our 1956 annual to the memory of our fellow schoolmate, MAX CAMPBELL.

Max lost his life as a result of a blow received in a football scrimmage game. He was a friend to us all and we will cherish his memory.

#### THE MAX CAMPBELL FUND

In the late fall members of the Boosters' Club, a civic organization, and members of the G. W. Monogram Club conducted a city-wide fund raising drive for the purpose of presenting some worthwhile contribution in memory of Max. With the cooperation of WDVA, a "lights on" night was held in which participants picked up donations from houses where the porch lights were burning. All the proceeds from the programs at the Warwick game went to the fund, as did the profits from the food and drink concessions. The latter was

through the courtesy of the Schoolfield Teen-Age Club and Danville merchants.

The Monogram Club itself contributed one hundred dollars from its treasury. Many neighboring schools mailed in contributions through their principals. In all nearly three thousand dollars was raised. Max's family is to decide how this is to be used as a fitting memorial. Already they have contributed an oxygen tent to the Life Saving Crew, who gave such invaluable help during Max's illness.

All is not play for G.W. students. Here your roving cameraman has captured a few of them as they try to earn money for bus trips and other social events. W. L. Griffith works hard to please a customer and we are proud to see that he hasn't had to bring out all the shoes.

These students are on the job and also engaged in school work and social life. We suppose engaged is a good term because Rosa Hicks has a ring on her left hand.

Don't be alarmed. The stern looking gentleman above is only our Sonny Foster, and he is not going to set off an atomic blast. He is only illustrating, after taking the above pictures, that he too has a job. We have the bill to prove it.

No, it isn't Halloween. It is just Wallace Hundley and his science class gazing wonderingly at a skeleton. "Do we really look like that?" he asked.

Clarence Lumpkin and class are very interested in a demonstration of radio active substance performed in Physics class.

What have we here? It is just wood shop and we find Troy Love and Wayne Clifton working on well lamps.

Andy Kirks and friends learn the fundamentals of printing in print shop. To the left we find Ralph South and N. H. Boswell hard at work.

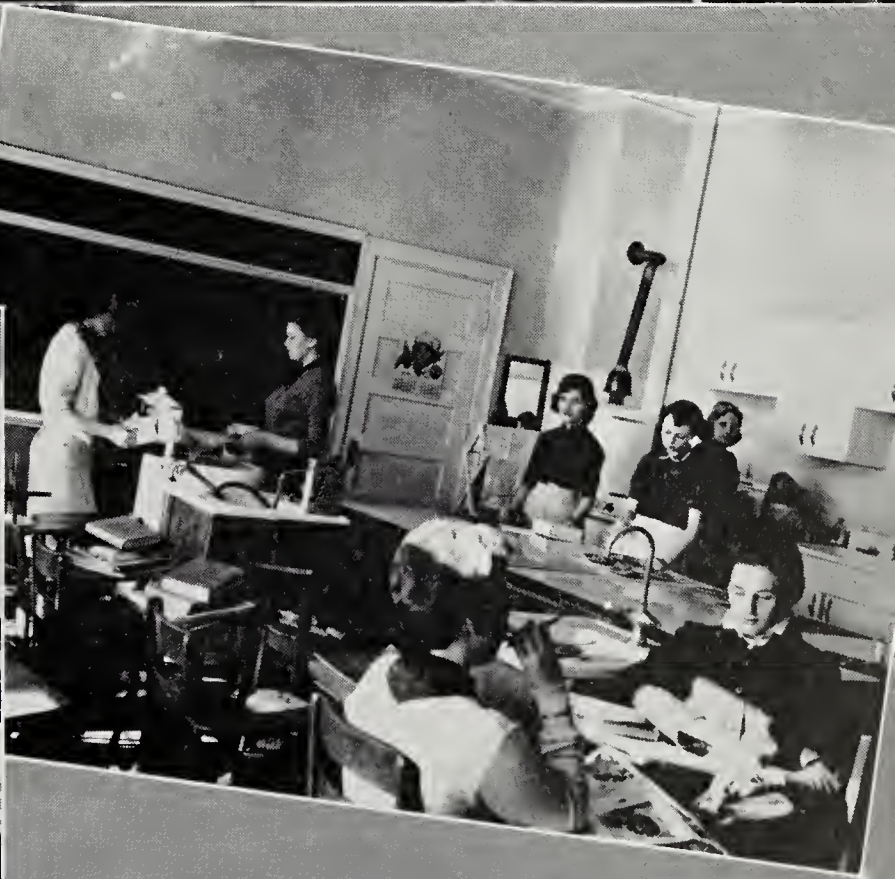

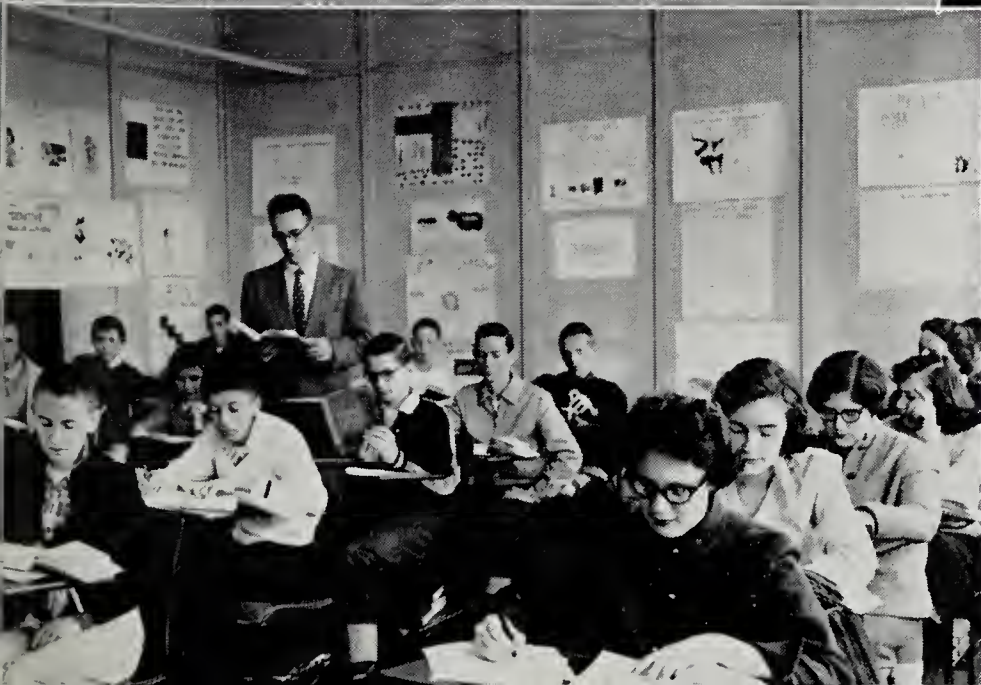

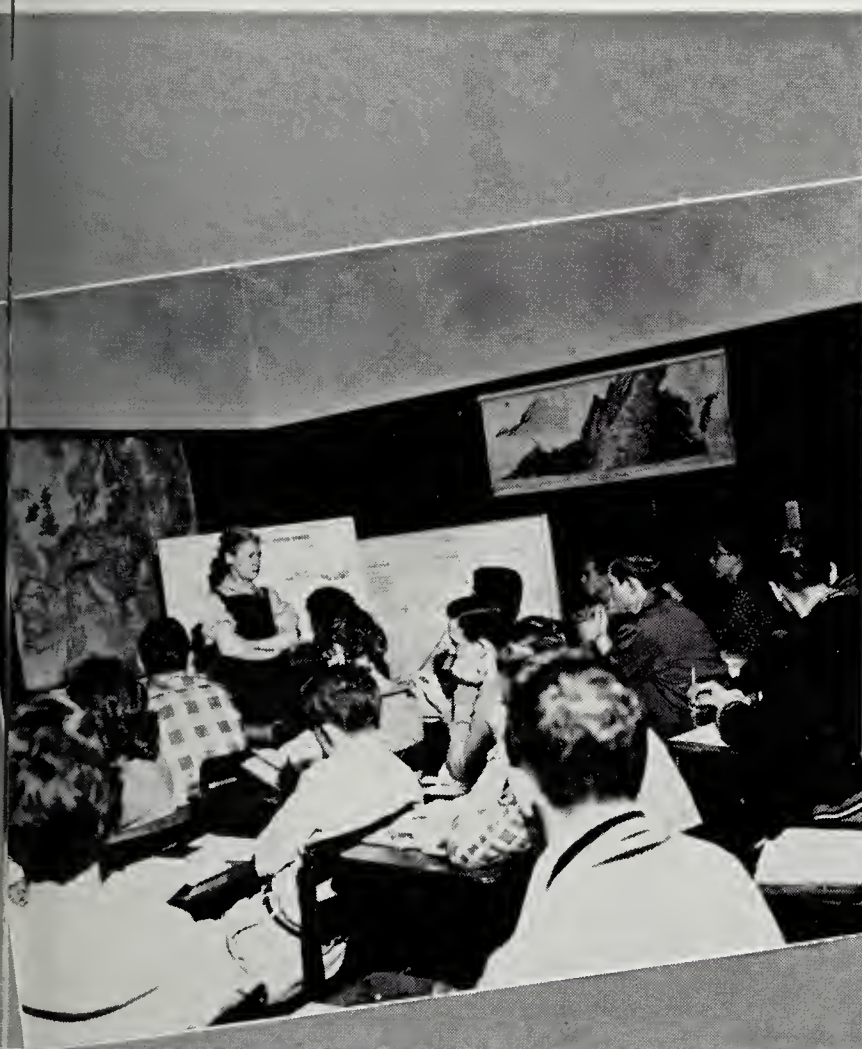

Miss Oliver's American government class discusses the court system. She is giving Carrington Smith a disapproving look, for as you see, he is not paying attention.

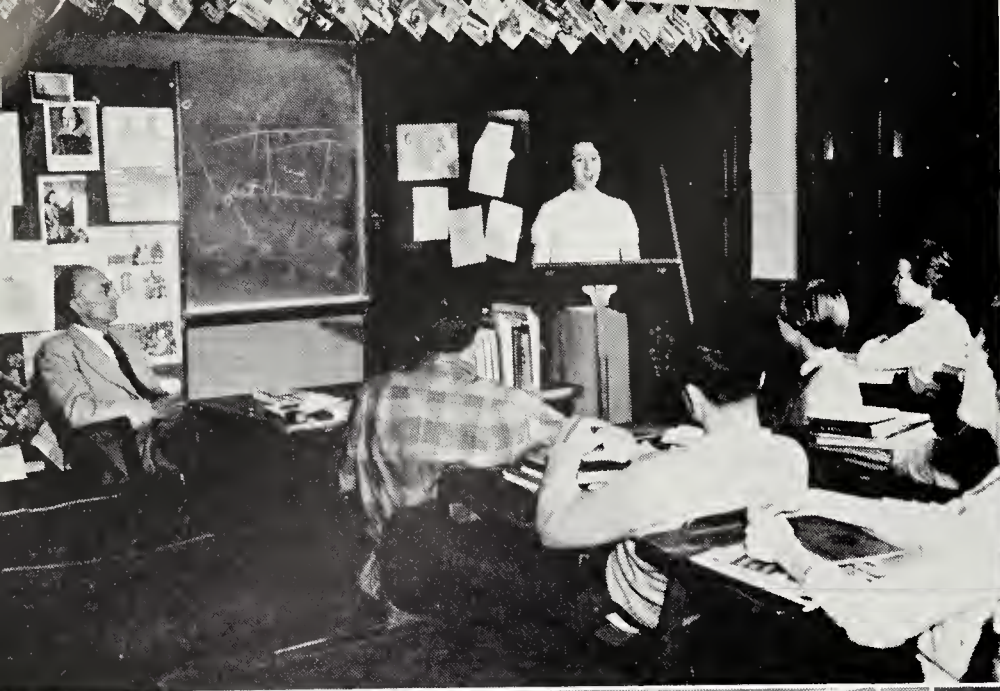

Latin is a dead language but it looks mighty alive here with the colorful posters on the wall. Ashby, stop watching the camera.

From the grins on Terry Wilmarth's, Charles Rich's and Jimmy Davis' faces, one could never tell that this was a geometry class.

Is this a kitchen or a classroom? Here home-ec students prepare to be the future homemakers of tomorrow.

This is the F. O. O. T. Club, the Future Orators of Tomorrow. President Vincent speaks to her classmates Joe Skinner, Marty Evans, Patsy Ayers and advisor, Mr. Perk.

In English class Martha Farley and Bill Overcash are observing the miniature Elizabethan theatre. The Julius Caesar posters are also part of the course.

Willa Ramey, Bonnie Chattin, Edna Jones, and Bette Connock take great pains with their parts in dramatics class. Broadway, here we come.

Donald Searce, "Butch" Jones, Carl Lowe, Jimmy Shields and Donald Clark are practicing for an assembly program in music class. What's so funny, Donald?

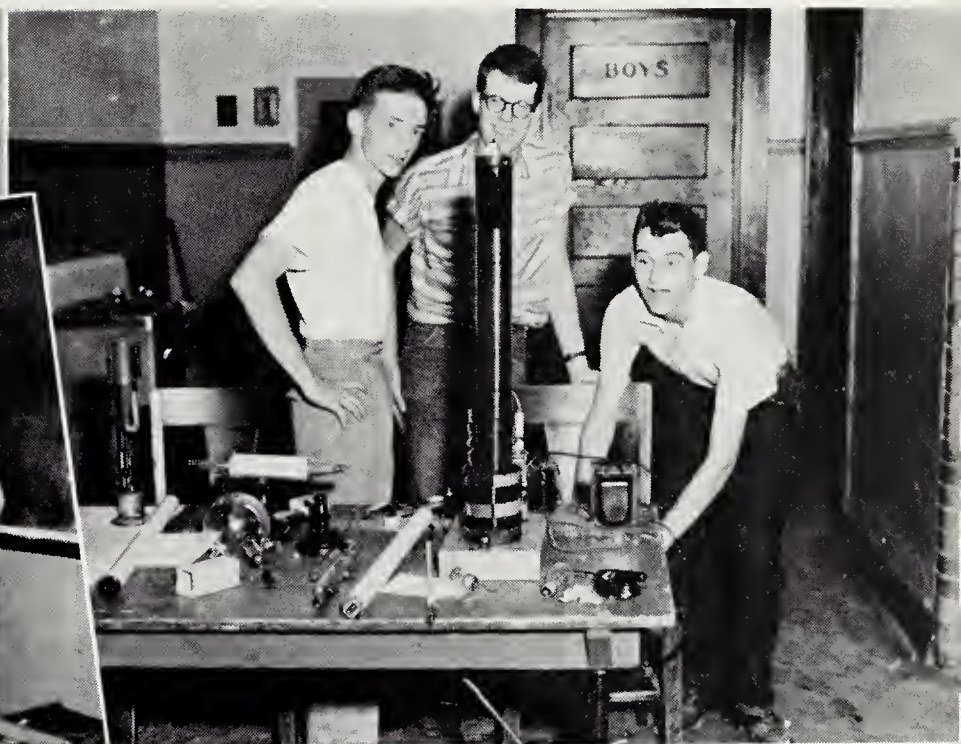

Aubrey Barnes, Michael Heitzler, Nancy King, and Aurelia Robertson display their contribution to Mr. Daniel's hospital project. The class made cookies, boxes and brought magazines.

Linda and Deanna are working hard in the office Machines class. These girls are preparing for a business future.

What is it, Joe? It is a tesla coil entered by Joe Mahaffey in the Science Fair. John Clare and George Fairer look on, amazed.

Take it easy, girls! Coach Charlie Franzen is getting quite a few gray hairs by trying to teach Nancy, Paula and Betty to drive.

## JUDICIARY

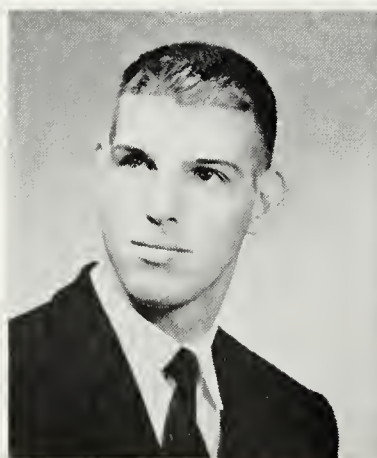

The Judiciary of George Washington High School has for its purpose the hearing of cases involving dishonest practices and breaches of promise. It suggests suitable punishment for students involved.

This organization consists of four seniors, four juniors and two sophomores. The Student Council officers—Van Holton, Martha Farley, and Nancye Ferguson are also the officers for the Judiciary.

The Judiciary members help to promote school

projects. They also serve as guides for the orientation of new students entering George Washington High School in the coming year. Another duty of this group is the tabulation of votes in all major elections, such as the Student Council held at the end of each year.

This organization is connected with the Student Council. It is the governing body of it and Judiciary members are members of the Student Council. It is one of the most important of the school organizations.

# STUDENT COUNCIL

The Student Council of George Washington High School is one of the most important of all school organizations. It consists of one representative from each of the forty-one homerooms and ten members of the Judiciary. The homeroom representatives are chosen for their qualities of school spirit and leadership and must maintain a C average.

The Student Council is the law-making and law-governing body of G.W. It helps to set the course of conduct for the school and each member of the organization sets the example for others to follow.

The representatives, after a preliminary discussion, introduce the ideas to the homerooms for

approval before any planning begins. Also any plans of students go from the representatives to the Student Council organization.

Some of the projects undertaken by this organization are the Red Cross Drive, Community Chest Campaign, and March of Dimes Drive. The homerooms compete with each other. Another important function is the school improvement program.

The orientation program for new students entering George Washington High School the following year is planned and carried out by the Student Council members. The new students are shown around the school and are told of some of the school activities and organizations. An assembly is given in honor of them.

## NATIONAL HONOR SOCIETY

The object of the Washington Chapter of the National Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in pupils of George Washington High School.

One must be a junior or senior in high school with an average of ninety-one per cent to be eligible for membership in this organization. Members are chosen by the principal and four members of the faculty on the basis of scholarship, service, leadership, and character. Fifteen per

cent of the senior class and fifteen members of the junior class can be selected for membership.

In November the Honor Society had an induction ceremony as an assembly program in order to acquaint more students with the chapter and to honor the new members.

This year, as well as last, the society's annual project was to introduce a honor system to the faculty and students of G.W. Also a banquet was held at the end of the school year at the Green Lantern.

# QUILL AND SCROLL

Quill and Scroll is the International Honorary Society for High School Journalists which was organized April 10, 1926, by a group of high school advisors, for the purpose of rewarding individual achievement in the field of journalism and allied fields. The Quill and Scroll was more recently formed to aid in the business affairs of the Society and the administration of Quill and Scroll Foundations.

The following requirements must be fulfilled by the members of the Quill and Scroll. They must be at least a junior; they must be in the upper third of their class in general scholastic standing at the time of their election; they must have done

superior work in some phase of journalistic or creative endeavor; they must be recommended by the advisor or by the committee governing publications; and they must be approved by the executive secretary.

New members in George Washington High School's Roscoe B. Ellard Chapter are Sarah Easley, Ellen Flowers, Carolee Kushner, Dixie Hilliard, Anne Bruce Worsham, Patsy Scarce, Mary Anne Hubbard, Billy Clifton, Nancye Ferguson, Elizabeth Oakes, Joyce Ann Yeatts, Sarah Shelhorse, John Paylor, and Maury Matthews. ## THE CAVALIER

The last two hours of each school day are spent by "Cavaliers," working in room 209. Miss Estes and Anne change the dummy frequently and hunt for that special color. Bill and Bill (Clifton and Overcash) race around to all the coaches to get some scores and inside information.

Actually this is a bright spot in our day and we love the work we do because we are inspired by the hope that we are giving you the best.

As Carolee and Johnny hold up a CAVALIER subscription poster, Anne and Helen study the layout for this year's CAVALIER. Miss Estes looks approvingly on as the staff works hard.

This year THE CAVALIER, the yearbook of George Washington High School, again won the Medalist award at the Columbia Scholastic Press Association contest. This award is presented to only ten per cent of the books receiving a first place rating in each enrollment group. In the Southern Interscholastic Press Association and Virginia High School League the G.W. yearbook won a first-place rating. We take pride in our annual and each year strive to make it surpass previous ones.

The CAVALIERS presented an assembly program at the first of the school year to solicit subscriptions. "The Sixty-four Cent Question," a take-off on the TV program, was a big success. For the purpose of raising additional needed funds, we sponsored a "Mr. and Miss G.W. '55 contest and sold name cards.

Each staff member has diligently worked on our CAVALIER and sincerely hopes that we have captured, between the covers of our '56 book, something of the life we have shared at G.W.H.S.

# CHATTERBOX

Since its first issue in 1922, *The Chatterbox*, G.W.'s bi-weekly newspaper, has been one of the outstanding papers in the state.

Under the guidance of Miss Roberts, *The Chatterbox* is continuing to bring accurate news and sports stories, interesting features, and columns to its readers.

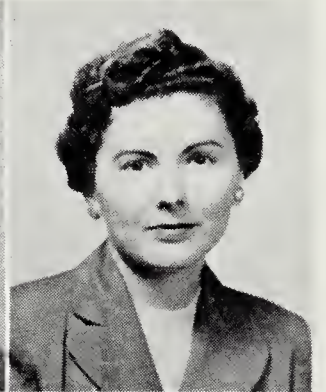

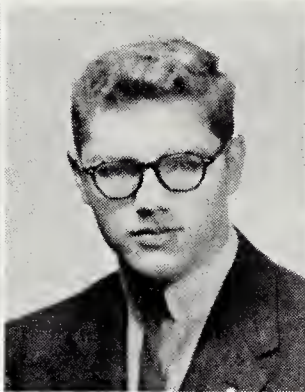

The award winning *Chatterbox* lists among its honors the All-American Honor Rating given by the NSPA, the CSPA Medalist, Quill and Scroll International Honor Rating, Trophy Winner SIPA, Trophy Winner Virginia High School League, and the Gallup Award.

Sylvia, Betty and Peggy frantically type articles for the next issue of *The Chatterbox* while Bunny, *editor*, proofreads them. Carole and Miss Roberts look over old issues for improvements.

Starting off the year with a successful subscription drive, *The Chatterbox* gave an assembly program, "Pressroom Jungle." Then, as at various other times during the year, the Green Duck, well-known symbol of G.W.'s newspaper, made an appearance.

In the spring the Press Club, to which all staff members belong, sponsored a Bunny Girl Contest as a fund-raising project.

Johnsie Choate, president of the Press Club, was aided by the other officers and members in planning the annual Christmas Party. A big event, complete with Christmas tree, mistletoe, colorfully decorated blackboards, red and green crepe paper streamers, refreshments, and fun, the party proved to be a tremendous success. A cute Christmas gift with an appropriate rhyme was given to each staff member at the party.

After this gala event, the staff looked forward to the Press Club Banquet which completed a year of hard work and fun.

## CARDINAL TALENT SCOUT STAFF

Serving as a literary detective, the *Cardinal Talent Scout*, for the second year, strove to publish the choice writings of talented GWites.

With the helpful guidance of Mr. Smith, the staff, headed by Esther Alfriend, collected the top short stories, poems, and essays written by students in the various English classes and assembled them into a magazine that everyone would enjoy. Illustrations for the Talent Scout were ably drawn by Sarah Shelhorse, Donald Clark, and Johnsie Choate. In March an assembly was given to arouse interest in *The Talent Scout* in order to get more subscriptions. This year over 750 subscriptions have been solicited.

Jo Anne McGhee, a GW Senior, is shown reading the *Cardinal Talent Scout*. This is the first issue of GW's literary magazine, our newest publication.

In order to raise extra funds for the publication, the staff sponsored an Open House in the cafeteria following the GW-Lynchburg basketball game.

In addition to students mentioned above, other members of the literary staff are Evelyn Vincent, Associate Editor; Carolee Kushner, Business Manager; Jimmy Flippen, Circulation Manager; and Vera Maxie and Jane Cook, typists.

Contributors to the magazine may be students of any grade at GW who have shown promise in writing.

Earlier this year the first copies were placed for review and criticism in both national and state contests. The magazine won third place rating at C.I.P.A. Other ratings have not been received yet.

# MODELS CLUB

The Models Club, better known as the Model-Ts, is a fairly new organization at George Washington High School. It was started year before last in the early spring.

This club is a group of girls, principally in the Junior and Senior grades. These girls are interested in the aspects of good grooming and etiquette.

The programs have included talks and movies on good posture and the correct way to walk. Some of the more interesting meetings have been programs on hair styles, how to wear clothes, how to apply make-up, fixing your nails, and general points of etiquette and good manners.

One of the more recent meetings was a panel of four Hi-Y boys who answered questions asked by the girls. They told how they liked girls to dress and act on dates, in school, and at parties.

The officers for this year are Mary Jane Martin, President; Jo Anne McGhee, Vice President; Jo Wheatley, Treasurer; Sylvia Bragg, Secretary; and Martha Farley, Parliamentarian.

Several of the models from this club were chosen to be in the Automobile Fashion Show sponsored by the Belk-Leggett Company. Also, several of the girls modeled during High School Day at Thal-himer's, April 28. The president, Mary Jane Martin, has been pictured in clothes from Belk-Leggett's Young Fashion Center and they have appeared in the Danville paper for advertising the new look in clothes for Spring.

The meetings are held on Wednesday afternoons every other week at the home of Helen Marie McMann. Refreshments are served at each meeting

Miss Deane Richardson, Spanish teacher at George Washington, serves as faculty sponsor for The Model T's, attends the meetings and provides adult counseling for the members.

Four members of the Models' Club, Ellen Flowers, Mary Jane Martin, Anne Thompson and Anne Powell get some tips on photography at Belk-Leggett's Studio.

There are about thirty-eight boys in the group. The Men's Chorus has done an excellent job, performing in assembly and for various civic clubs. They lead devotions in assembly and usually present a number or two that are varied in scope.

The Glee Club, directed by Miss Elizabeth Oliver, is probably one of the busiest and most well-known organizations in school. The group, consisting of 80 choristers, participates not only in assembly programs at GW but sings each year for various civic clubs, schools, and community activities.

Several members of the club represented GW at the All-Western chorus held in Radford during February, and others attended the Massanetta Choral Camp during last summer. These are just two of the ways in which the Glee Clubbers exhibit the proficient training given them by Miss Oliver during the year.

The Glee Club has been rated as one of the best in the state in past years and certainly the blithe-hearted singers this year are no exception, for they have contributed much to the musical atmosphere of their school and community.

Each fall a one year course is begun by the Dramatics Department in two fields, stage construction and dramatics. These classes, taught by Miss Dorothy Fitzgerald, learn all about the stage from two important aspects. The stage construction class learns the intricate steps in building scenery and backdrops, lighting effects and many other behind the scene tricks. The dramatics class studies the different types of plays and characters, diction, voice projection and various related subjects.

These work together with the Thespians, a club forming the core of dramatic activity within the school. Each Thespian must have a knowledge and understanding of the basic

principals of stage construction. To meet the requirements set by the National Thespians Dramatic Honorary Society aspirants may participate or assist in the production of plays. After qualifying for membership in the local chapter 605, they become affiliated with the national society.

Many of these young actors and actresses may startle or completely puzzle their fellow classmates with the following statements: "Have you descended on a moonbeam?" or "You don't look like a fool, but you're a woman." These may be well-known quotations from the classics or lines from the latest plays presented by the drama students.

The outstanding programs for the year have been "Cinderella" and "Time Out for Rodney," which was presented before several parent-teacher groups within the city.

The George Washington chapter of the Future Homemakers of America, a national organization, is led by President Patsy Kinder, Vice President Mary Frances Seamster, Secretary Nancy Warren, and Treasurer Jane Bowling. The club is composed of seventy-one members, all striving to become future homemakers.

The F.H.A. creed emphasizes the fact that the participants realize they are future homemakers of tomorrow and they "face the future with warm courage and high hope," so they may establish "homes where truth and love and security and faith will be realities."

With club sponsors Miss Reinhart and Mrs. Moseley, the club is indeed an active one, having both a business and a social meeting each month. Some of their activities this year have been the celebrating of the 10th National birthday, winning first and third places in the fashion review at the Danville Fair and a Christmas project of sending food and clothing to help needy families.

Patsy Kinder, club president, blows out the candle at the 10th birthday party of F. H. A.

Liz expresses her disapproval of the outcome of a debate at the I.R.C. meeting. Maury is more concerned about his ice cream roll while Duffy wholeheartedly disagrees with Liz.

The purpose of the International Relations Club is to stimulate greater interest in all national and international affairs. In order to become a member of this club a student must have at least a ninety average in social studies for at least one semester and also be in senior high school. At the present time there are twenty-five active members. During the forum meetings, held twice a month at the home of a member, each has an opportunity to express his own views as well as hear the opinions of others. Maury Matthews is head of the I.R.C. with Nancye Ferguson and Helen McMann, Vice-president and Secretary-Treasurer respectively. Under the able guidance of Miss Dorothy Jordan, sponsor of the club, the I.R.C. has become one of the most active clubs at G.W.

During the year the International Relations Club has discussed current topics. Some of these topics were "Voice of America," segregation, immigration laws, federal aid to education, exchange of information with the Red world, and admission of Red China to the United Nations. The debating team also presented a program for the International Relations Club on the pro and con concerning federal aid to education.

In the spring the I.R.C. had a picnic as an outing for the year. Everyone brought food and a fine time was had by all.

Soon the International Relations Club will elect the officers for the next year from the junior members of the club.

## SCIENCE FORUM

The Science Forum is one of the long-established organizations at G. W. Its faculty advisor is G. L. Thomasson and the purpose of the club is furthering scientific interests among the potential scientists in G. W. The small number of members are chosen by the science faculty on the basis of scientific ability, interest, and aptitude in laboratory work such as biology, chemistry or physics. The reason for the limited membership is the fact that this is a discussion and research group.

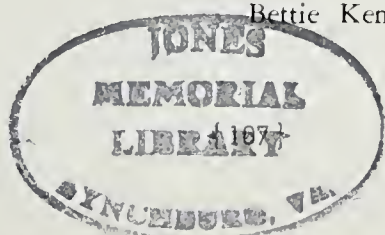

Meetings are held bi-weekly in the members' homes. Topics of discussions include such subjects as dreams, supernatural forces, satellites and cosmic rays.

The forum sponsors a science project program. Some of the members participated with such entries as collections of the elements and new inventions.

In the spring the Science Forum members give an assembly to which the whole school is invited. There the members give science demonstrations and do chemical experiments making everything from perfume to bombs. The exhibit borders on the supernatural in the eyes of the ordinary student.

Some members of the Science club listen intently while Mr. G. L. Thomasson, adviser, explains a difficult theory, Lynda, Bettie Kent, David and Carl stand as Carolee, Ken and Phyllis take it easy.

## G. A. A.

To promote sportsmanship and to stimulate interest in a variety of sports through intramurals is the aim of the Girls' Athletic Association.

Each girl in George Washington who participates in at least one of the intramural sports—basketball, volley ball, table tennis, shuffle board, or softball—is automatically a member of the G.A.A. The point system enables those girls who have shown active participation in the athletic program through the year to earn points toward a monogram.

In the spring the G.A.A. sponsors an annual G.A.A. Carnival at which each of the extra-curricular clubs at G.W. operates a booth. Also each year the G.A.A. works with the Physical Education Department in producing a May Day program.

The G.A.A. is under the guidance of Misses Norma Roady, Joanne Williams, and Eleanor Sanderson, physical education teachers at G.W.

Patsy Ayers was elected to head the G.A.A. this year, while Jo Annette Savage was chosen

as vice-president and Betty Vass, Rosa Pettit and Dixie Hilliard were elected to serve as secretary, treasurer, and points chairman respectively.

Miss Eleanor Sanderson, G.W. gym instructor, demonstrates the correct way to volley a ball during a practice game.

## VARSITY CHEERLEADERS

For the first time at GW, the varsity cheerleading squad was composed entirely of girls. The twelve were elected in the spring by members of the faculty and Monogram Club. The purpose of the group is to promote school spirit among all students.

The cheerleaders this year were sponsors of the newly-organized Pep Club, led cheers for all athletic events, decorated the ball park for games and the cafeteria for the Homecoming Dance, and organized all the pep rallies.

First row: I. Browder, R. Pettit, S. Seeley, F. Westbrook.  
Second row: J. Fitchett, S. Bonner, B. Grow, S. Payne, D. Womack.

Each member of the squad serves for two years and may be re-elected.

This Junior Varsity Cheerleading Squad is composed of nine peppy girls from 8th to 9th grades. They were chosen by members of the Faculty and Monogram Club for a two year term.

Their main job is to lead cheers at all J.V. basketball and football games. They also promote school spirit in the lower grades.

Last spring girls who would be students here at G.W. this fall were eligible to try out.

This year the George Washington High School band consists of seventy members under the direction of Mr. Eugene Stryker. The band performed last fall at all the home football games and at the Salem and Martinsville out-of-town games. They marched at the beginning of the games and usually during the half-time show. They participated in the Shriners' Parade to help boost the event.

At all the assemblies and pep rallies, the band was on hand, adding much to each. A concert was given in the school auditorium in the spring and the final performance was a concert in the park.

## FOOTBALL

This season the GW Cardinals had a less successful year than was the previous one. The Cardinals handed in their worse record since 1950-51, Coach El Wilson's first year, they ended with a 9 loss and 1 win record. This season's record can be attributed to lack of experience and injuries. The Cardinals felt many a stern blow this year as a result of injuries. Nevertheless, the Red Birds kept their determination for victory.

The squad started out the season with a victory over Reidsville. The Tarheels journeyed to Danville with a Double A Championship record for the previous year. They fought throughout the whole game to no avail because they returned defeated by a score of 7-6. The next game found GW traveling to Salem. The powerful Salem team had no trouble in defeating the Cardinals by a score of 13-0. Then we find GW again traveling, as they moved into Hampton for a bang-up game. Hampton, who trailed the first half, came back the second half to win the game 18-7. GW, still on the road, turned to Covington with a hopeful outlook the following weekend. The Cardinals now sporting a 1-2 record fought very hard for a 20-0 victory. After this game GW returned to Danville to prepare for one of their big rivals, Lynchburg. At the hands of Lynchburg, GW suffered their third loss of the season by a bruising score of 27-0. Following the loss

to Lynchburg, Danville met Warwick at League Park. The Warwick boys came into Danville with victory in their eyes. They left victorious after defeating the Cardinals 7-0. After losing to Warwick, the Cardinals started back on the road. They journeyed to Martinsville for another let-down. The Martinsville team, a Group II school sporting an undefeated season, proved too much for the Cards. The Cardinals made a fine showing but came out on the short end 27-6. The next game found GW traveling to Fleming where they were once again rated as underdogs. Here the Cardinals put on their best showing of the season with a 19-13 upset over Fleming. GW once more returned home for their last two games. Roanoke, a candidate for State Championship, moved into Danville with all hopes for an easy victory. They were not disappointed and returned home with a 26-6 win, reassured of a chance for the State Championship. The last game of the season found GW facing Halifax County and, for the first time, rated to win. This was the Annual Shriner's Game and found a nice turn out of 3,500 fans. GW, although rated to win, found the battle hard but finally were victorious 13-0.

Each year the team selects a Most Valuable Player. This year the award was given to Julian Clifton, first-string half-back for the Cardinals. We congratulate Julian along with each member of the team.

David Shultz (4) cracks Lynchburg's defense for a first down for G. W. Redbirds.

End Van Holton (29), followed by other G. W. lettermen, rushes in to tackle Halifax ball carrier.

Outstanding players on the gridiron this season are: at quarterback Leon Hawker; at halfback Julian Clifton and David Shultz; at center Ronnie Bryant; at guard Sonny Kinser and Jimmy Turner; at tackle Bobby Sizer and John Matney; at end Bob Yelton and Van Holton; and at fullback Ray Beale.

The other boys receiving monograms, with whose help the team would not have existed, were Clinton Pruitt, Ronald Chaney, Leon Lewis, Billy Jones, Billy Norman, Tommy Nance, Ronald Sammons, Peyton Eggleston, Terry Wilmarth, Kenneth Shelton, Terry Alfrend, Gordon Watkins, Tommy Vaughn, Ed Crumpton, Dickie Fralin, Bob Martin, and Billy Blankenship. The four managers who also received letters are: Kenneth Henderson, Jesse Madows, Kenneth Dean, and Jimmy Woody.

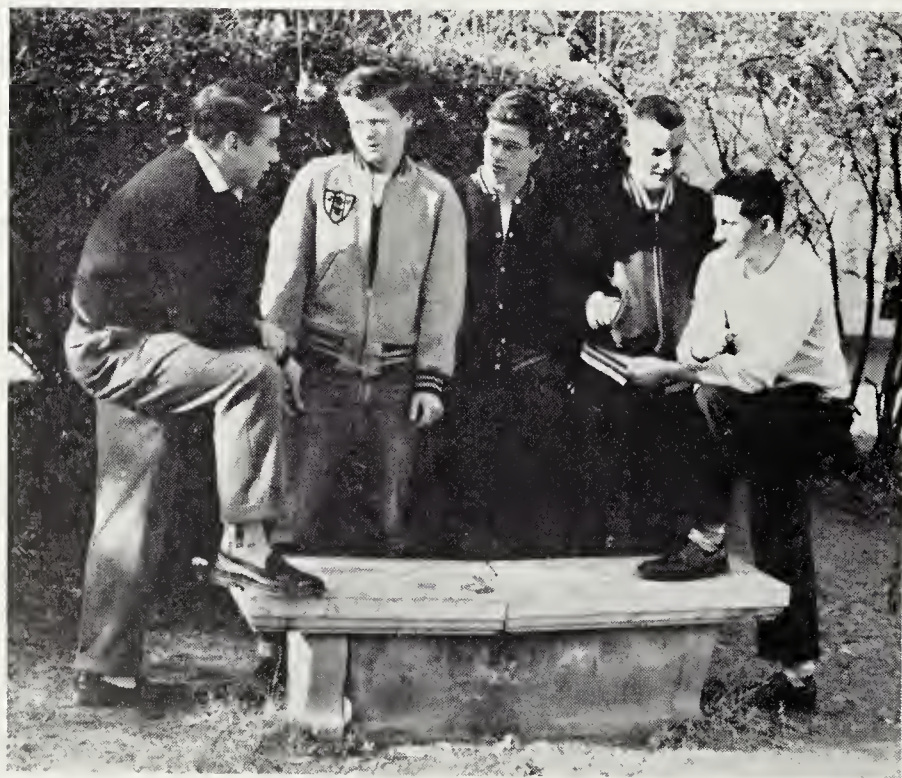

Due to the lack of interest for high school sports by the citizens of Danville, George Washington was having a difficult time financing many of its sports. To improve this situation and to obtain city-wide support for the teams, the Boosters' Club was organized in 1953. This club is composed of all citizens who are willing to pay a small entrance fee and are anxious to publicize the athletic contests.

## J. V. FOOTBALL

Five outstanding J.V.'s from whom the coach expects great things next year are pictured above. They are Joe Tompkins, Lewis Everett, Stuart Hester, Ronnie Collins, and W. E. Samuels.

The Baby Redbirds had a more successful season this year than their big brothers. The Danville Jayvees stacked up a 3-1 record, under the coaching of Larry Paladino.

This year's season found the Danville Jayvees traveling to Reidsville for their first game. The Baby Redbirds came back with a gleam in their eye after defeating Reidsville by the score of 25 to 12. Next the Danville Jayvees prepared to meet Halifax County on their own ground. The Baby Redbirds were seeking their second victory. The Jayvees took early command of the game and won easily by a score of 20-6. After their win over Halifax County the Baby Cards were traveling once more. This time the Baby Cards met their match as they lost their only game of the season. The boys from Hargrave proved to be too much when they set the Baby Cards back by the score of 7-0.

The last game of the season found the Baby Cards faced by Lynchburg. This almost proved a defeat for the Jayvees but finally they emerged victorious, outpointing Lynchburg 8-6.

This team gives promise for the future and should make Coach Wilson and the Varsity team look up.

## BOOSTERS

These two men are the backbone of the George Washington football team. Dr. Arey and Dr. Kinser have both been on hand at the G.W. football games, taking care of all injuries.

These two have given assistance for the past several years without receiving any compensation. They feel that it is the least they can do for the hometown team.

The school along with each member of the team would like to express their appreciation for the fine job the two doctors have done. We hope to see them for many years to come there on the bench with the coaches and players.

Dr. Prentiss Kinser, Dr. Lurton Arey

## LIFE SAVING CREW

The Danville Life Saving Crew, headed by Captain James B. Gardner, was on hand willing to help at all the home football games. It is not the first year that they have rendered this valuable service. For the past three years members have been stationed on the field in case of an emergency.

This group, organized in 1945, has since played an active part in the welfare of the whole city. We thoroughly appreciate their faithfulness and willingness not only in helping us during the football season, but in their other civic work.

## BASKETBALL

George Washington's cagers had a very successful season under the direction of Coach Charlie Franzen. GW walked away with the Western District Crown, holding a 11-1 conference record. This year's "Cinderella" team came through the season, surprising all. The cagers finished the season with an over-all record of 17-2.

GW's two losses, to Roxboro and Jefferson Senior High of Roanoke, came after our cagers had beaten each of these teams once. The teams traded victories on their home courts.

The outstanding game of the season was the defeating of Jefferson Senior High, defending State Champions. The game ended with both teams tied at 46 all. With only a few seconds left in the overtime, GW's David Crawford came through with a field goal and gave GW the victory. Also during the regular season's play Lynchburg upset Roanoke, helping GW to obtain the Western District Crown.

The school bows to the outstanding play of Leon Hawker, Richard Haymore, Bobby Cheek, Donnie Cole, and Van Holton. Hawker was the big gun for GW, scoring over 250 points and ending No. 17 in the state's leading scorers. Haymore also hit for over 200 points, while Cheek, Cole and Holton chalked up more than 100 each.

The cagers traveled to Richmond on March 8 to participate in the Group I State Basketball Championship. The Cardinals' first game was against Highland Springs of Richmond, in which the Cards won 64-49. The next game found GW of Danville facing GW of Alexan-

dria. The Cards were not as successful as in the first game; they dropped the game 64-49. This knocked the Cards out of the championship round. In playing the consolation game against Washington and Lee, the Cards also dropped their second game by the score of 56-37.

Although the Cards made a poor showing at the State Championship, they were praised by all for making their brilliant season's showing. The showing was attributed to the fine teamwork shown by the team throughout the entire season.

Receiving honors on the team this year were the following: Leon Hawker was elected All-State and Captain of All-Western District team. Richard Haymore was placed as honorable mention for All-State and second team of All-Western District. Bobby Cheek received honorable mention for All-State and first team All-Western District. Don Cole and Van Holton received honorable mention for All-Western District.

Coach Franzen will have to build from two regular players to finish out his first team next year. Three of GW's first team will leave because of graduation; along with them will go part of the reserve bench.

Each year the Cardinals have a surprise basketball team, so we feel that GW will come through with another strong team next year.

## BASEBALL

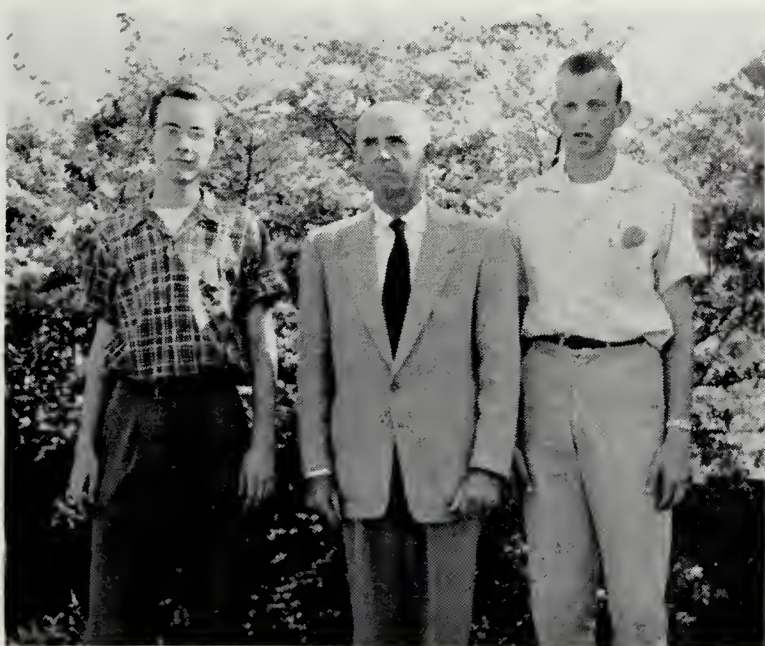

Under the able guidance of Lefty Wilson, the G.W. Cardinals baseball team was led to a near perfect record. The Cardinals ended the season with eleven wins and three losses.

This years wins included ones over Yanceyville 11-2, Cranbrook 12-1, Dan River 12-7, Greensboro 7-6, Halifax County 6-5, Yanceyville 8-0, Cobb Memorial 3-1, Hargrave Military Academy 3-0.

This year's losses were handed to G.W. by Covington 6-4; 4-3, and by Hargrave Military Academy 4-1.

Outstanding in the past season and winning letters were Crawford, Philips, Hawker, Francis, Brooks, Martin, Gover, Cowan Adkins, Hundley, Shultz, and Lee. Also winning a letter was Stanley Houghton, known by many as Mr. Wilson's right-hand man.

The Cards lost eight lettermen through graduation, but don't expect this to hurt the '56 team. Lefty believes in keeping a strong bench and has able boys ready to fill the vacant shoes.

## WRESTLING

With two years of experience behind them the Cardinal matmen began the 1956 season with an impressive 30-16 victory over High Point. Then they went on to win from VSDB, 21-19, Salem, 51-5, and High Point again, 37-3, while losing to Jefferson Senior, 26-19, twice to William Fleming, 38-10, and 29-17, and twice to V.M.I. Freshmen, 19-11 both times. In the return game with Salem, GW won 41-13 but lost to Jefferson 29-21 in that return match.

Rick Graveley of G.W. takes the advantage over his opponent.

The most outstanding G.W. wrestler was undefeated Kenneth Shelton with a total of 36 points, while Radford Satterfield was second with 30 points. Kenneth placed second in the State Tournament, while Radford won fourth place in the state. Additional fourth places in the State tournament were earned by John Matney and Ray Beale.

At the end of the wrestling season, Coach Joe Gurtis awarded varsity letters to the following wrestlers: Jack Andrews, James Stroud, Watt Miles, Carl Shelton, Frank Gery, Richard Graveley, Lewis Everette, Ronald Sammons, Kenneth Shelton, Radford Satterfield, John Matney, and Ray Beale, captain and only heavy-weight wrestler on the team. Jimmy Crews, an eighth grader, earned a jayvee letter. The assistant manager of the team, Elton Shreve, received a special jayvee letter.

Jackie Jester has served as manager of the matmen.

## GOLF

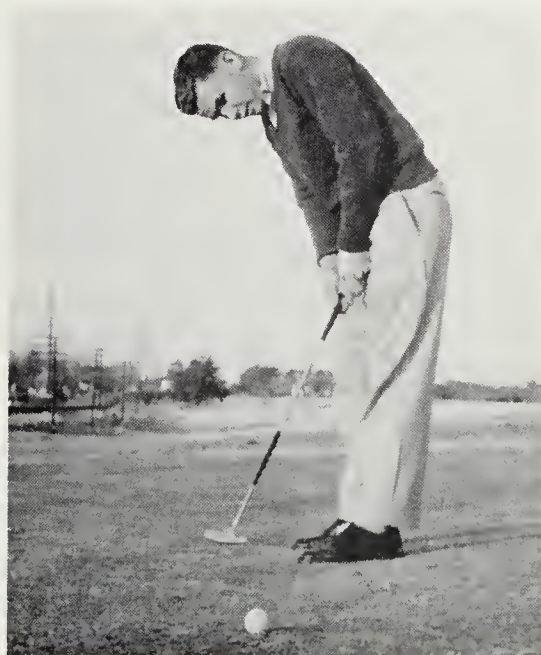

The G.W. linksmen have shown excellent improvement in a comparative new sport. Our team, under the able leadership of Mr. Bernard Ladd, completed their season with ten wins and only three losses.

They opened with a 13 to 5 victory over Bassett. Then they journeyed to Roanoke for a close 10 to 8 victory; however they lost to Roanoke on their home course. The next game was lost to Greensboro by the score of 10½ to 7½ but they came back with two 18 to 0 wins over Halifax County. Again they lost to Greensboro 12 to 6. They then played host to Virginia Episcopal School and won by an overwhelming margin of 14 to 1; later they journeyed to Lynchburg to beat them again by the impressive score of 18-0.

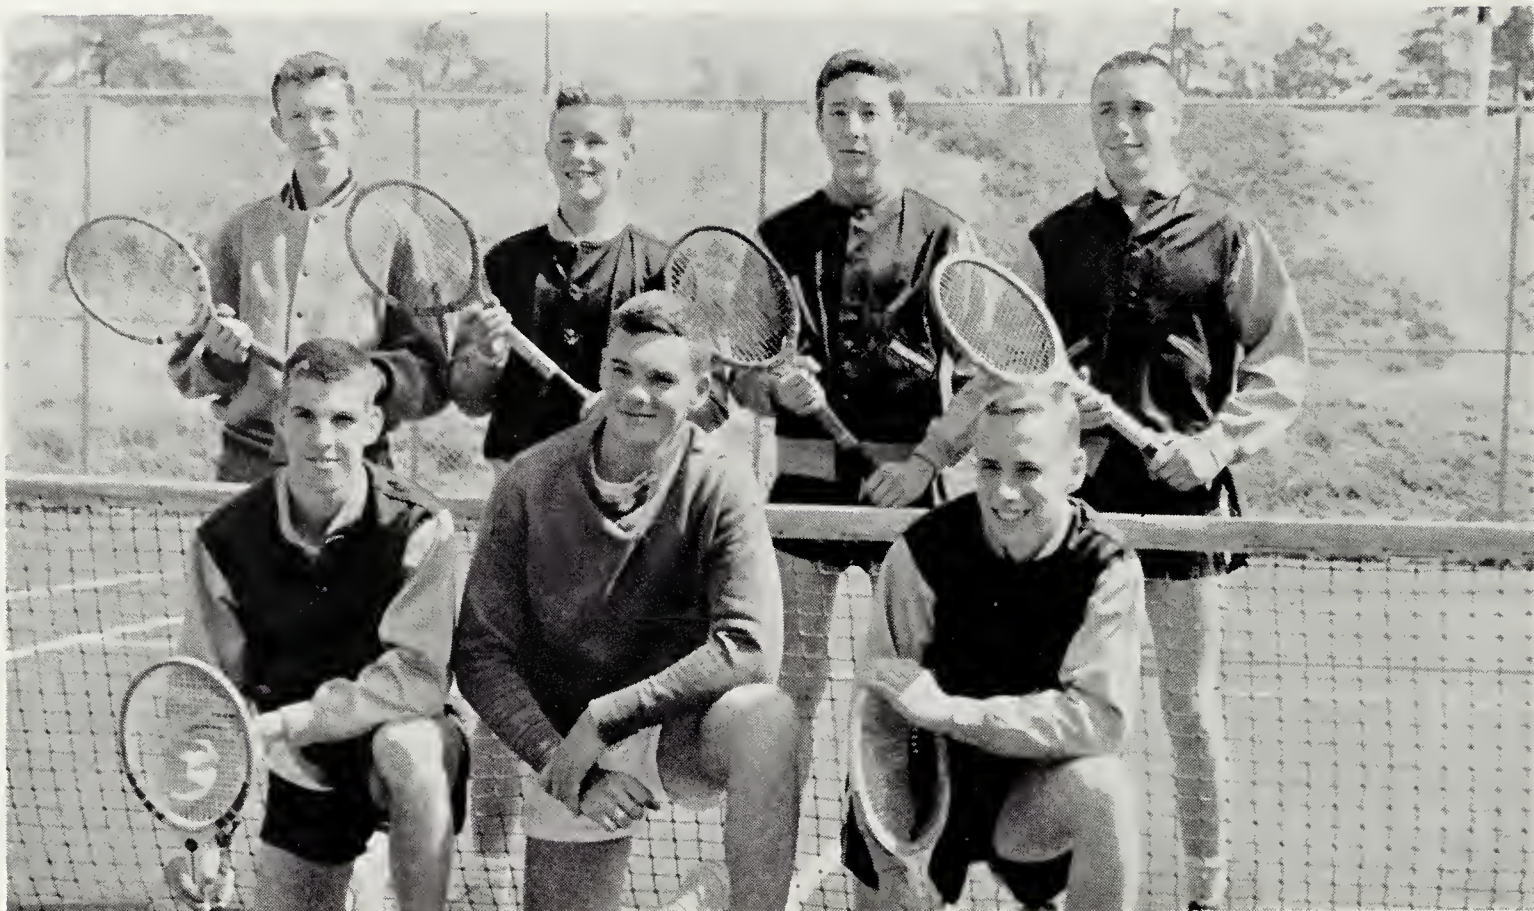

The season closed with the State Championship match at the Hidden Valley Country Club in Roanoke. In the state championship the linksmen came in with a total of 679, bringing them in fourth.

Returning lettermen are Jimmy Flippen, John Jennings, Raymond Mustain, Bill Overcash, Jimmy Feldman, Bernard Garrett, Virgil grow, Peter Vanderwerff, and Gary Merchant.

Jimmy Flippen, number one linksmen for the past three years, tries his putting skill.

## TENNIS

For the first time in years, G.W. found itself without a full-time tennis coach, yet despite this loss, the team enjoyed a full season with Coach El Wilson as fill-in. The courtmen defeated Hargrave Military Academy in the

opening match, 7-2, but fell to the Greensboro High netters, 8-1. In a return match with Hargrave the following week, the Academy team avenged their first loss by winning 5-4. Dropping their third and fourth matches, the G.W. netters were defeated by Jefferson of Roanoke, 5-4, and E. C. Glass of Lynchburg, 7-2. The Cardinal squashmen lost their remaining three matches to end the season with a 1-7 record. These games were with Greensboro, Jefferson of Roanoke, and E. C. Glass.

The Cardinal netters in order of their position on the team were: Jack Barnett, Van Holton, Neal Howard, Dick Pretty, Joe Skinner, Budge Kent, Billy Norman, and Maury Matthews. Returning lettermen are: Van Holton, Dick Pretty, Budge Kent, Joe Skinner, Billy Norman, and Maury Matthews.

Since most of the team will be returning lettermen next year, prospects for the coming season appear very favorable.

## **YOU'VE GOTTA BE GOOD TO MAKE A HIT!**

When you're batting in the big leagues, you've gotta be good to make a hit!

And the textile industry is definitely big league . . . it's the second largest industry in America. It's jam-packed with plenty of stiff competition, the kind that keeps every team on its toes, working hard to win. It's aimed to please the customer crowd.

American industry has flourished because of competition and freedom from government control. Free competition requires each successful business enterprise to strive for customer confidence. Free competition depends upon constant customer approval of high quality products at fair prices.

Dan River Mills, along with other industrial enterprises, has grown great because of its ability to compete fairly and freely with equally capable business rivals. The future of America depends upon this same fairness and freedom of competition in a free society.
